Dear Ms. Hannan:

This letter is in response to your letter dated January 3, 2011, regarding the Commission's preliminary review of Carol Shea-Porter for Congress' 30 Day Post-General Report (10/14/2010 - 11/22/2010). You have asked about the election cycle-to-date total for Molly Turlish. As disclosed on its 2008 30 Day Post-General Report, the committee received a joint fundraising transfer from Grassroots Gains Committee on 11/24/2008. Included in that transfer was a memo entry listing a contribution from Molly Turlish on 10/23/2008 for the 2008 General election. Because the transfer occurred during the time period of the 2010 election cycle, the committee's database incorrectly included the memo item in its calculation of the election cycle-to-date total for the contributor for the 2010 election cycle. Her ECTD figure for the entire 2010 cycle is \$500.

You have also asked about why a contribution from the Office and Professional Employees International Union on 10/19 did not appear on the committee's 2010 30 Day Post-General Report. The contribution in question did appear on the committee's 30 Day Post-General Report under the name OPEIU JB MOSS VOICE OF THE ELECTORATE (VOTE), which is the current name for the Office and Professional Employees International Union. This also explains why it appeared as if the committee failed to file a 48-hour notice for the contribution from OPEIU JB MOSS VOICE OF THE ELECTORATE (VOTE), which was listed on the committee's 30 Day Post-General Report. The contribution was reported on a 48-hr notice on 10/19 under the committee's former name, Office and Professional Employees International Union.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the Committee.
